# COMMUNITY EFFORTS IN SEDGWICK COUNTY

# October 2023

# **BioMedical School**

Lead: Wichita State University, WSU Tech, and University of Kansas

A new state-of-the-art facility in downtown Wichita to house Wichita State and WSU Tech's health professions programs as well as KU School of Medicine-Wichita and KU Pharmacy that will expand programs, improve patient outcomes, and engage new clinical trials.

### Update

- 1. The design phase has begun
- 2. Construction projected to start 1st quarter of 2024

# **COMCARE** Crisis Center

### Lead: Sedgwick County

Sedgwick County is currently seeking a location in close proximity to the Bio-Medical School, anticipating engaging an architect soon to begin design work with the building to resemble the design of the Bio-Medical school. The funding for the expansion is supported by Sedgwick County. Development begins the first or second quarter of 2024. The expansion will include 10 Medical Detox beds in addition to the existing detox and sobering beds.

# State Behavioral Health Hospital

### Lead: Kansas Dept. of Aging & Disability Services & Sedgwick County

Developing programming and design of a regional state hospital, and working with partners to develop strategies for workforce development and talent recruitment.

### Update from State of Kansas and Sedgwick County

The Governor issued an executive order appointing a 14 member Advisory Panel. They will provide advice on the need and location of a regional state psychiatric hospital, and how a state hospital would fit with existing services in Sedgwick County. To improve access and delivery, the panel will gather public input on existing resources, gaps in services and barriers to care. The 14 members have been appointed. The first meeting was held on October 9, 2023. These meetings will be open to the public.

Staff from KDADS and Sedgwick County are working with architects on the programmatic and space needed for 50+ beds, psychiatric hospital to develop a schematic design for the proposed building. This process should be complete by the end of October.

# City of Wichita HOME-ARP Projects

### Lead: City of Wichita

Contracting with a developer team and national consultant to work with the community and providers to identify site options for an effective service area for a navigation center, non-congregate housing and affordable housing, to be co-located with a 24/7/365 emergency shelter representing national best practices.

### Update

- 1. The application for Additional HOME-ARP is being finalized.
- 2. New Market Tax Credit package is being assembled and the necessary banking contacts have been made.
- 3. PETRA has created a site selection matrix. They are working through the scoring matrix and adding additional sites. These will be presented to the City of Wichita by late-October.
- 4. Service partners are being engaged by PETRA to identify the requirements and need for the Multi-Agency Center (M.A.C). This engagement will continue through October and November.

## Homeless Task Force

Lead: Public Policy and Management Center, Wichita State University

Between July and September of 2023, the Taskforce identified 5 area of focus that required subgroup planning: Housing, Provider Coordination/Gap Analysis, Emergency Services, Community Engagement, and Funding. More than 55 individuals across sectors participated in the subgroup work. All subgroups apart from Funding, were tasked with developing a future vision for the area of focus and identify a six month plan to include action steps necessary to move the goals forward.

The work identified within the subgroups:

- 1. The Provider Coordination/Gap Analysis and Emergency Services subgroups have identified six month action items that directly affect the implementation of behavioral health services.
- 2. The Housing subgroup includes a thorough inventory and assessment of housing needs, identifying legislative policy priorities, and outreach to landlords and property owners to build a two-directional information network.
